Rules

1. NO ABUSE
This includes any and all forms of insults, flaming, trolling, harassment, and aggressive and disrespectful behaviour. Continued display of offensive behaviours will result in an immediate ban.

2. NO GRIEFING OR MODIFICATION OF BUILDS
Malicious destruction or modification of any building projects, items and objects on the server will result in immediate ban. DO NOT alter any build without permission from the assigned builder(s) or server staff, or without submitting an application and getting approval on our forum.

3. NO SOLICITING / ADVERTISING / SPAM
DO NOT ask for OP or staff ranks, other privileges or items. DO NOT advertise other servers, websites or projects, do not spam messages or post links in server chat.

4. NO PLAGIARIZING
DO NOT claim credit for builds, plans, or images that you did not make yourself. This includes applications. Multi-person build teams require acknowledgement of all participants.

5. NO HACKING / SCRIPTING
All access attempts and user input commands to the server are logged.

6. MULTIPLE ACCOUNTS ARE FORBIDDEN
DO NOT use another account to circumvent a ban or other punishment.

7. STAFF APPROVAL REQUIRED FOR ALL BUILDS
Explicit permission from TamrielCraft staff is required before building.

8. APPLICATIONS BEFORE APPROVAL
You must be granted permission to work on an existing build or create plans for your own project before you will be given Citizen rank.

9. STAY WITHIN MAP BOUNDARIES
DO NOT place players, blocks, items, mobs, schematics, or generate new terrain outside of the map area.

10. SERVER LANGUAGE IS ENGLISH
While we have users from many different countries and backgrounds, English is the language everyone has in common. No conversations in other languages are permitted.

11. SERVER IS ALL-AGES
DO NOT post or discuss NSFW material. This includes discussion of sensitive or offensive topics.
